**Summer 2009**

**Program  
Guide**

**From the General Manager**

Summer is finally here, and you're probably thinking it's time to relax. You're considering a nap in the air-conditioned comfort of your abode, maybe. But that's not what we're thinking—WRUW never sleeps! The great gears are in motion at your trusty college station, and I'm going to tell you all about it. The digitization of our massive CD library is up and running, and most of your requests will probably be filled at lightning speed by the time the fall schedule starts up. We're very excited to spend less time crawling around on the floor or climbing on ladders to get to all of our CD's. Now, we can spend more time listening!

A few weeks ago we had a successful Telethon. A sincere thanks go out to all who supported the cause of quality radio. We have also begun planning our annual concert, Studio-A-Rama. It will be hosted in our backyard on the CWRU campus in early September, so come out and enjoy a full day of live music.

But until Studio-A-Rama rolls around, and until our digitization is totally complete, you must be satisfied with our new summer schedule. I am sure it will not disappoint. It is full of the programs you have come to know and love, and it also has some promising new ones from DJ's fresh out of our training program. Try something new today—you never know what you'll end up listening to. It might be hip-hop. It might be metal, ska, or public opinion. You name it. The full menu of those summer show offerings is on the following page.

Thanks again for your support and listenership.

General Manager

**From the Promotions Director**

Greetings and thanks for picking up a copy of the WRUW 91.1 Summer Program Guide. It is a well-known fact that Cleveland Ohio has the best College-Community Radio in the country. Our mission is to promote the various types of music overlooked by most of the radio dial.

I would like to thank the various promoters and clubs in town for their continued support of college radio. We offer a wide variety of ticket give-aways in every format of music. As the weather turns sunny, the Northeastern Ohio Area has many outdoor venues to choose from. Nautical Stage, Cain Park, Blossom Music Center, and the Time Warner Amphitheater at Tower City offer an enjoyable summer concert season.

The next time you attending an event and you see the WRUW promotions table, please stop over to the booth and say hello. We love to meet our listeners.

Thanks again for choosing the left side of the radio dial.

Roger Ganley  
WRUW 91.1 Promotions & Metal Director
